

21st Century IDEA Act

It's not just a good IDEA.
It's the law.

Learn More

21st Century IDEA ACT

The 21st Century Integrated Digital Experience Act (21st Century IDEA) is a new law that will greatly improve the public's digital interactions with the federal government by accelerating the implementation of electronic signatures, modernizing websites, and creating digital options for in-person services. Get your agency started on improving the citizen experience with our comprehensive 21st Century IDEA act Checklist and ease your agency's compliance.
